

Five Chinese Dragons

Five Chinese dragons letting out a roar,
One went away
And then there were four.

Four Chinese dragons munching on a tree,
One went away
And then there were three.

Three Chinese dragons didn't know what to do,
One went away
And then there were two.

Two Chinese dragons having lots of fun,
One went away
And then there was one.

One Chinese dragon always on the run,
He went away
And then there were none!
