Sharing nursery rhymes with your child is a great way to [reinforce rhyming](#) and [rhythm](#) as well as introduce [new vocabulary](#). In nursery rhymes, your child will discover [characters](#) and [stories](#) he/she will encounter again and again. After reading a nursery rhyme, ask a beginning reader to circle the rhyming words and/or underline all the words that begin with a certain letter (i.e. B). On page 2 of this PDF, a beginning reader can cut out the words and glue them in the right places. Pages 3 and 4 provide an opportunity for your child to cut out the lines of the rhyme and glue them, in order, to page 3. Your child may enjoy creating his or her very own book to 'read.' – Watch for nursery rhyme pages in the next Storytime Standouts E-newsletter
