

Little Rabbit

I saw a little rabbit go hop, hop, hop.

Hold up 2 fingers, go hop, hop, hop.

I saw his long ears go flop, flop, flop.

Hands above head, flop at wrists.

I saw his little eyes go wink, wink, wink.

Wink or blink

I saw his little nose go twink, twink, twink.

Wiggle nose

I said, "Little Rabbit, won't you stay?"

Curl finger and beckon

But he just looked at me and hopped away.

Use two fingers to hop away
